6. Eurofins Expert Services Oy, notified body number 0537, in accordance with Article 21 of the Directive 2014/34/EU of February 2014, notifies that the manufacturer has a production quality system which complies with Annex IV of the Directive.
7. The Production Quality Assurance guarantees conformity of the equipment with the protection concept referred in Clause 4 and the standards referred in the EU-Type Examination Certificates of the equipment. The equipment can be placed on the market and put into service if properly installed and maintained and used for its intended purpose.
8. This notification, valid until 22.1.2023, is based upon an audit report No. EUFI29-20000394-T1 and the original notification dated 24.1.2002. This notification can be withdrawn if the manufacturer no longer satisfies to the requirements of Annex IV of the Directive. Results of periodical reassessments of the quality system are part of this notification.
9. According to Article 16 of the Directive 2014/34/EU the CE marking shall be followed by the identification number 0537 identifying the notified body involved in the production control stage.

The EU Type Examination certificates covered by this Notification are agreed between the Manufacturer and Eurofins Expert Services Oy.
